Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 0400 on Monday 21 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright and sunny spells developing.

Today:
It will be a damp start for some, most likely parts of Fife and Stirlingshire, but soon dry with skies brightening from the north with a few sunny breaks developing. Isolated light afternoon showers. Winds mostly light. Maximum temperature 17 deg C (63 deg F).

Tonight:
A fine end to the day with bright, sunny or clear spells, any light showers soon dying out. Chilly overnight with winds mostly light. Minimum temperature 4 deg C (39 deg F).

Tuesday:
Dry and bright with some good spells of sunshine. However, cloud increasing from the west later, patchy rain expected through the Trossachs and western Perthshire by midnight. Maximum temperature 20 deg C (68 deg F).

Outlook for Wednesday to Friday:
Mostly cloudy with outbreaks of rain and drizzle on Wednesday and Thursday, although some brighter spells in the east. Rain clearing south on Friday, bright or sunny spells developing.
